Subject - Execution of slum clearance and other improvement works in the Tarikere Town Municipality

I have the honour to state that the members of the Town Municipal Council Tarikere requested the Minister for Local Self-Government and Public Health during his visit to Tarikere Town in November 1942 that a grant of Rs 6000/ may be sanctioned by Government for the acquisition of lands for the conservancy lanes and other improvement works in the Tarikere town The Minister was pleased to direct that this may be recommended

2 The Municipal Council Tarikere, propose to take up seventeen slum clearance and improvement works as detailed in the statement enclosed in the records The total estimated cost of these works comes to Rs 6718-4-0 All the estimates have been scrutinised by the Executive Engineer during February 1943 The Municipal Council could not take up these works during 1942-43, as they had to provide funds for the drainage works They have therefore resolved at their meeting held on 16-5-1943 that a sum of Rs 3000/- be provided in the budget for the year 1943-44 and that Government be requested for the grant of an equal amount Accordingly a provision of Rs 3000/ has been made in the budget for the year 1943-44 to meet the municipal quota towards the cost of the works

3 Tarikere is a Congested town with a population of nearly 10000 and the opening of conservency lanes and new roads are of urgent necessity I therefore request that sanction of Government may be kindly obtained for sanctioning a grant of Rs 3359-0-0 out-of-the Town Improvement grants of

for the year 1943-44 The balance of the cost will be met out of the funds of the municipality

The connected records are enclosed for reference

I have the honour to be

Your most obedient servant,

Deputy Commissioner,
